

# Includes 24 Matching Cards

Students will look at each of the gratitude statements and decide which community helper it describes. They will then pair the two cards together.

This is a great activity to help students understand what the community helpers do and why their jobs are important.

# Includes A Worksheet & A Dice Game

**My Future Career**

Name: \_\_\_\_\_

When I grow up, I want to be: \_\_\_\_\_

Here is a picture of me in my future career:

People will be thankful for this career because:

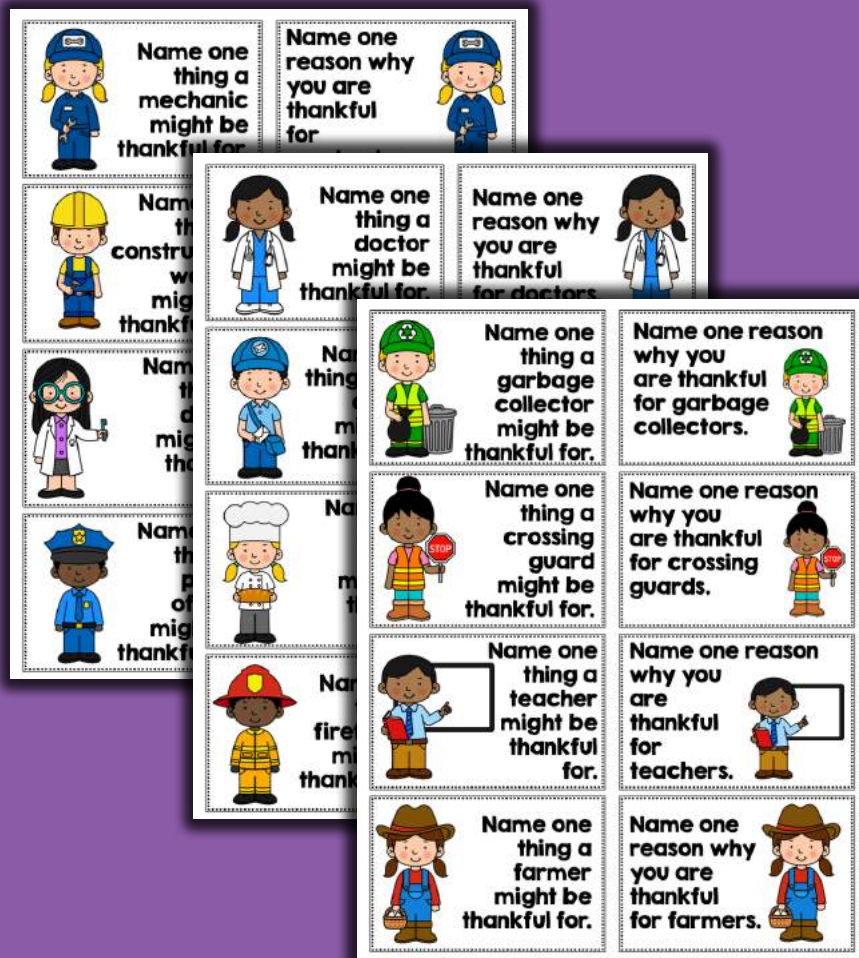

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

When I have this career, some things I'll be thankful for are:

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

- For the dice game, students will roll a die and then answer the prompt that corresponds with the number they rolled. The prompts will encourage students to think about why they are thankful for various careers.
- The worksheet gives students a chance to reflect on their own future career. They will consider why others would be thankful for their career, and what they would be thankful for.

# Includes 24 Discussion Cards

These discussion cards will help students talk about why they are thankful for various community helpers. They will also consider what the community helpers might be thankful for.

These are great to encourage small group or who class discussion.

# All Materials Are Included In Color, B&W and A Google Slides Format!
