

THIS GAME FOR GOOGLE SLIDES INCLUDES 30 QUESTIONS TO HELP STUDENTS UNDERSTAND THE DIFFERENCE BETWEEN A GROWTH & FIXED MINDSET.

Question 6 slide featuring a calculator icon with mathematical symbols (+, X, %, -, ÷, =) on the left. The text reads: "Josie is really good at math. Her teacher told her that she can do advanced math so that she can have more of a challenge. She doesn't want to because she's afraid it will be too hard. Does Josie have a growth mindset or a fixed mindset?" Below the text are two purple circular buttons labeled "GROWTH" and "FIXED". The text "Click on your answer." is positioned between the buttons. At the bottom, it says "QUESTION 6".

Question 28 slide featuring an icon of three stacked books (blue, green, red) on the left. The text reads: "Gregory loves to get books about different topics because he enjoys learning about new things. Does Gregory have a growth mindset or a fixed mindset?" Below the text are two purple circular buttons labeled "GROWTH" and "FIXED". The text "Click on your answer." is positioned between the buttons. At the bottom, it says "QUESTION 28".

This activity is great to help students with perseverance, self esteem, and executive functioning.

STUDENTS WILL DECIDE WHETHER THEY THINK EACH SITUATION IS AN EXAMPLE OF A GROWTH MINDSET OR A FIXED MINDSET.

OH YEAH!

Ainsley had a fixed mindset. She didn't want to listen to the feedback from her teacher. Instead of getting upset, she could try to make the project the best it could be.
