

Why Should I Use Scoot Games?

- Scoot games allow students to get up and moving while they learn!
- Use the answer key to quickly gauge student knowledge – before or after they learn about the topic.
- Students will look at different scenarios, and see how the topic presents itself in various ways.

How Do I Use Scoot Games?

- Cut out each of the 30 question cards, and post them throughout the room.
- Each student will receive a grid, and travel from spot to spot answering the question at their spot and recording it in the corresponding block.
- After about 30 seconds, the teacher will yell “SCOOT!” which means that the kids move on to the next spot.
- This game is intended to be fast-paced to keep kids moving and interested!
- After the kids finish each station, you can review the answers as a large group, or they can turn in their papers so that you can get a better idea of their understanding!

Includes 30 task cards!

Students will travel throughout the room looking at the scenarios and deciding whether or not they are examples of respect.

Includes answer grid, answer key and poster!

What other educators are saying about this resource...

“This was a great activity to review what respect looks like and get the students moving at the same time.” –Raquel F.

“My students loved using this. This resource sparked a lot of conversation between the students and I. My students were engaged and loved talking about respect.” –Shiloh N.

“I used this game after a SEL lesson on respect. The students really enjoyed it and it provided a jumping off point for a discussion on what respect looked like and how to show respect to others.” –Sharon B.
