/ j ™	The Ta	alking Tower
	ense. This will help even	mportant to say things in an order that makes yone to easily know what you are talking about versation and put them in the correct order Put sation on the bottom, and build your tower from
	Fifth	there
	Fourth	
	Third	Hopefully cupcakes!
	Second	Yeah, it'll be fun What kind of
		snocks do you think we'll have?
	First	I'm so excited about our class party!

- Includes 9 sets of 5 conversation pieces that students will sequence.
- Students will look at the 5 pieces and decide the order in which they should be said.

- Students can also look at multiple sets at a time and decide which conversation pieces go with which sets.
- Directions are included for individual, small group and classroom lessons.
- Materials included in color and black and white.
